# WELCOME

**At the Broadway Hair, Beauty and Holistic Centre, we believe that you should spoil yourself without spoiling your bank balance so we offer a range of luxurious beauty, holistic therapy and spa treatments at competitive prices.**

We can create a whole new look for you in one of our two modern hair salons with cutting, styling and colouring as well as barbering and special occasion looks. We only work with superior salon brands and have a range of products for sale to keep your hair in great condition until your next appointment. Or, if you prefer a city centre location, we have a Hair Academy in the Kingsway Centre.

Or you can indulge in one of our luxurious beauty, holistic therapy or spa treatments. We offer manicures and pedicures, St Tropez tanning, soothing facials, relaxing massages and much more. We even have a dry floatation tank with infra-red lamps, perfect for the treatment of arthritis, muscle fatigue and sporting injuries – and just 20 minutes on the tank is equivalent to eight hours sleep!
