

How to Apply for Full-Time HE Student Funding for 2020/21

Funding (Loans and Grants) are available to cover the cost of your tuition and for your living

Student Finance rules in Wales changed in 18/19. Students will need to apply for;

- Tuition Fee Loan for the full amount of your course (Per year, paid directly to the University)
- Maintenance Loan / WG Learning Grant – to help with your living costs, made up of loans and grants, depending on your circumstances, up to the maximum allowance

The maximum maintenance support available is a combination of grants and loans. The current thresholds are;

- Students living away from home - maximum of £9,225.
- Students living at home – maximum of £7,840

All students living in Wales get at least a £1,000 **Maintenance Grant**, which can increase up to £8,100, dependant on your household income. You top this up with a **Maintenance Loan**, which are available up to the maximum (above).

Repayment of loans – once earning £25,725, in the April after you leave your course, via the tax system (PAYE, Self Assessment). This amount can change each tax year.

The maintenance grant doesn't have to be repaid.

Other grant funding is also available, depending on your circumstances, such as disability student allowance and dependants grants. These grants are paid to eligible students in addition to main student finance and don't usually have to be paid back.

You need to apply directly for the funding online, to help you with the costs of the course that you have applied for. You can apply usually apply from March. For Students living in Wales please visit

www.studentfinancewales.co.uk

You will need to **create yourself an account**, and then start your online application for 2020/21. Keep a note of your Customer Reference Number, and your password, secret answer (separately). You will need them when you need to log back into your account.

Please read the guidance available on the website carefully, you will need to have your passport number (if you have one), your National Insurance number, and your Bank details in order to complete your application.

Courses that we deliver are mainly franchised from our partner Universities; you should use the table below to ensure that you pick the correct partner University when making your application.

Entering College and Course Information

Enter the name of the University / College (as shown above)

The screenshot shows the 'Where do you plan to study?' step in the Student Finance Wales application process. It includes a progress bar at the top with steps: About you, Previous study, **Course and fees**, Living costs, Financial info, Additional info, and Submit. Below the progress bar, there is a 'Back' link and the question 'Where do you plan to study?'. A note states 'You can change this later if you need to.' The form asks for the 'University or college' and provides an example 'King's College London'. There is a search input field with the placeholder text 'Type to search'.

Select from the courses listed, look out for Gower College, Gower College Swansea, or GCS in the course title, or type the UCAS number (as above), and select when the course appears (course will highlight in yellow once accepted)

The screenshot shows the 'What course will you study?' step in the Student Finance Wales application process. It includes the same progress bar as the previous screenshot, with 'Course and fees' highlighted. Below the progress bar, there is a 'Back' link and a blue warning box that says 'If you change this answer, any additional questions will be asked again.' The question is 'What course will you study?'. A note states 'You can change this later if you need to.' The form asks for the 'Course title or UCAS course code' and provides an example 'Mathematics MSc'. There is a search input field with the placeholder text 'Type to search'.

Continue with your Application.

Confirm the Tuition Fee (as shown above)

Fees – Our fees are set by the University that are franchising the course to us, and are shown above. Use these figures to answer the questions regarding your fees. **First Year students will have to pay or get a tuition fee loan for the full amount.** You will see this figure on the Student Finance Wales website.

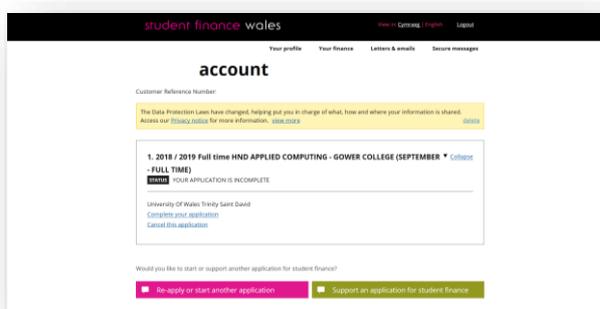

Allowing the University / College to update the tuition fee loan information removes the need for you to adjust your application later.

Continue with your Application

Apply for any Maintenance Grant, Maintenance Loan and any other help that you wish to receive.

Once you have finalised your application, Student Finance Wales will correspond with you by email and post. Please look out for their emails, they will tell you what you need to do next, and what evidence you need to provide. Make a note of your Customer Reference number.

You can access your application at any time by logging back into Student Finance Wales. **If you have already applied for funding, but were unable to attach a College or Course, you should log back in, and update your College and Course details, to avoid problems with your payments.**

Arrangements for Enrolment with us

If you choose to enrol with us, we will give you a date to do this, giving details of what we need you to bring with you.

This will include the **University or College Payment Advice sheet** (that Student Finance Wales will send you). We need this form to confirm with Student Finance Wales (via the University) that you have enrolled with us, and are attending. Student Finance Wales will then release your fees to the University/College and your maintenance loans/grants to you. If this isn't available when you enrol, please bring to the MIS Office, in the HE Centre for us to copy.

Arrangements for Enrolment with the Franchising University

We will tell you if, when and how you need to do this.

Payment of Fees

The College will send you an invoice for the full amount of the fees. The remaining balance of fees (if any) is fully payable by the student and can be paid in full on receipt of the invoice or in equal instalments over the three terms (payable by 1 December, 1 February and 1 April respectively).

Bursaries

Bursaries of £1,000 are payable for all courses other than those marked with a * . The bursary will be paid in two instalments of £500 at February half term and the end of May. The bursary will be paid subject to:

February Payment

- 70% Attendance

- Submission of all assessments that were due at that date

May Payment

- Confirmed achievement of the Award, or
- Confirmed achievement of the requirements to progress to the next year
- Payment of fees is up-to-date

Bursaries of £500 are available on those courses marked *

If you need to leave your course

You will be eligible for the tuition fee for all terms that you are registered with us. If you need to withdraw it's very important that you tell us straight away.

Tuition fee payments are made by Student Finance in three instalments: 25% in term 1; 25% in term 2 and the remaining 50% in term 3.

If you withdraw from your course part way through a term, you are liable for the fee for that term. No tuition fee loan will be paid by Student Finance after you have withdrawn.

The fee payable if you withdraw is as follows

Term	Fee Payable
Withdraw during term 1	25%
Withdraw during term 2	50%
Withdraw during term 3	100%

Please note that this may vary slightly by University partner so please make sure you fully understand the costs of potentially withdrawing from your course before you enrol.
