

# Welcome to our **OPEN EVENING**

## Thank you for attending one of our full time open evenings.

Choosing what you want to study after leaving school is one of the most important decisions that you will make and we hope you find this evening useful.

Studying at a large college can provide significant benefits.

We offer a **wide range of courses**, including almost 40 A Level subjects and 40 vocational subject choices, at a range of levels that match our students' existing knowledge and skills.

In 2022, over 1,000 of our students **progressed to university** and, of these, over 200 students are now

studying at some of the best universities in the UK - including Oxford, Cambridge and other Russell Group universities.

With our **Gower College Swansea Guarantee**, we can ensure that every student receives guidance onto one of five progression pathways after College (HE, employment, an apprenticeship, another FE course or tailored employability support.)

We look forward to welcoming you to the College as a student in 2023.

**Mark Jones**  
Principal and Chief Executive

Admissions  
Neurodiversity/ALN  
Learner Support - Enrichment  
Funding and Transport
