1. Introduction

- 1.1 The purpose of this procedure is to provide guidance to students and staff on the procedure to be followed in the event of a breach of the Code of Conduct.
- 1.2 The College has the right and authority to discipline students and to suspend or exclude **any** student.
- 1.3 The College will contact the Police when required.
- 1.4 Where illness/disability may prevent a student from complying fully with the Code of Conduct, special consideration will be made.
- 1.5 If the student is under 18 at the commencement of their course, and has given the necessary contact permission at enrolment, the parents / guardians may be informed in writing at Stages 2 and 3 (see paragraph 6 of this procedure) unless this is deemed inappropriate by College Management.
- 1.6 In interpreting this Student Disciplinary Procedure the decision of the College is final.
- 1.7 The College may amend this Student Disciplinary Procedure at any time or depart from it depending on the circumstances of the case.

2. Students on 14-16 Programmes

- 2.1 Students on 14-16 programmes are subject to the disciplinary procedures developed by the area, a copy of which can be obtained from the relevant Manager or Dean. However, should a student be believed to have been involved in an act of Gross Misconduct then the Schools Manager or the Dean responsible for the area can use the process outlined for Stage 3 (Gross Misconduct).
- 2.2 In this instance the Disciplinary Panel will include the Chair of the Panel, the Schools Manager or the Learning Area Manager (LAM) and a representative from the school and/or relevant external organisations.

3. Part Time Students

- 3.1 If you are a part time student or on a Work Based Learning programme and do not have a personal tutor any disciplinary matter will be handled by the relevant Learning Area Manager.

4. Examples of breaches of the Code of Conduct

5. Investigation

- 5.1 The College may nominate someone to promptly and thoroughly investigate any matter that is reasonably suspected or believed to contravene any of the College's policies or the Code of Conduct or may otherwise be a disciplinary matter.
- 5.2 The accused will be informed as soon as possible as to the fact of an investigation and when it has been concluded. The duration of any investigation required will depend on the nature of the allegation and will vary from case to case.

- 5.5 In the event of an investigation of an allegation of gross misconduct the College may suspend you until the disciplinary hearing where the College believes that this is necessary. Suspension of this kind does not imply that a decision has already been made about the allegations.

7. Procedure for Gross Misconduct

- 7.1 Where, upon completion of an investigation or if no investigation is appropriate, there are reasonable grounds to believe that you have committed an act of gross misconduct, you will be invited to attend a disciplinary hearing.
- 7.2 In the event of a disciplinary hearing taking place the College will:
- 7.2.1 give you a minimum of two working term-time days advance notice of the hearing;
- 7.2.2 give you written details of the nature of the alleged misconduct;
- 7.2.3 tell you the purpose of the hearing and that it will be held under the Colleges' Disciplinary Procedure;
- 7.2.4 explain your right to be accompanied at the hearing by a companion.
- 7.3 Where you are unable to attend a disciplinary hearing for reasons beyond your control, the hearing will be adjourned to another day. The College will comply with paragraph 7.2 above in respect of giving notice of the rearranged hearing. Unless there are special circumstances mitigating against it, if you are unable to attend the rearranged hearing, the rearranged hearing will take place in your absence.

8. Role of companion

- 8.1 You have the right to bring a friend or parent ("companion") to the disciplinary hearing. The choice of companion is a matter for you and you must notify the College of your choice prior to the hearing. In the case of vulnerable students it is advised that a companion accompany you. If this is not possible the College will provide an advocate to support you during the meeting. In the case of students under the age of 16 a parent or guardian must be present. If the College believes that your choice of companion is unreasonable, the College will ask you to choose someone else. For example, if in the College's opinion, your companion:
- 8.1.1 may have a conflict of interest or prejudice the meeting;

• Where Learning Area Manager is referenced, this will also include the Assistant Learning Area Manager and GCS Training Manager where relevant

- 8.1.2 is unavailable at the time of the meeting, if the original meeting date has already been re-arranged once due to the companion's non availability.
- 8.2 At any disciplinary hearing, your companion may address the Panel and respond on your behalf to any views expressed. However, the meeting is essentially a meeting between you and the College and any questions put directly to you should be answered by you and not your companion, unless you request your companion to reply on your behalf.
- 9. The Disciplinary hearing**
- 9.1 A disciplinary hearing will normally be conducted by the relevant persons set out in the flowchart in Appendix 1. Any member of the College staff responsible for the investigation of the disciplinary offence(s) shall not be a member of the Panel, although such staff may present any information material to the disciplinary hearing.
- 9.2 The **Disciplinary Panel** will aim to meet within 10 working term-time days of the suspension/referral.
- 9.3 The Disciplinary Panel will comprise two people selected from the College's management team or governors. The Disciplinary Panel will be chaired by a **Senior Curriculum Manager**.
- 9.4 You will be invited to arrive 30 minutes prior to the start of the hearing for a full briefing.
- 9.5 The College will give you advance notice if it intends to call relevant witnesses.
- 9.6 You must also give the College advance notice if you intend to call any relevant witnesses.
- 9.7 The person appointed to undertake the investigation will present the case to the Panel with a breakdown of the student's academic record at the College including absence record and any cause for concerns recorded.
- 9.8 At the hearing you will be given a reasonable opportunity to ask questions, present evidence and call any relevant witnesses. The witnesses must be agreed by the college.
- 9.9 The College may adjourn the disciplinary proceedings if it appears necessary or appropriate to do so (including for the purpose of gathering further information). In these circumstances the Panel should be reconvened with its original members and you will be given notice of the date of the reconvened hearing in accordance with paragraph 7.2.
- 9.10 As soon as possible after the conclusion of the disciplinary proceedings, the College will write to you informing you what disciplinary action, if any, is to be taken. You will be notified of your right of appeal under the College's Appeals Procedure.
- 9.11 The Chair will advise the relevant manager of all exclusions in order that support services can be advised, where appropriate.
- 9.12 The Disciplinary Panel may find that:
- 9.12.1 You are not in breach of the College's Code of Conduct and you will be allowed to return immediately.
 - 9.12.2 You have breached the College's Code of Conduct and will be issued with a written final warning with conditions.
 - 9.12.3 You have breached the College's Code of Conduct, are issued with a written final warning with conditions and are given an extended suspension with or without conditions.
 - 9.12.4 You have breached the College's Code of Conduct and are permanently excluded from the College. The Chair should then inform the MIS and IT systems in the College. The exclusion could include terms that would enable the student to continue their studies from home with support from his/her tutors. This option can only be taken with the full support of your area of study.

10. Risk Assessment Panel

10.1 Where you suffer from a particular illness which impacts on the Health and Safety of yourself, your fellow students and/or staff, and the College deems it inappropriate for you to attend the College, a disciplinary hearing may not be the appropriate course of action to consider any breaches of the College's Code of Conduct. When this is the case the following procedure will be instigated:

10.1.1 A full risk assessment will be carried out and supervised by the Health and Safety Officer.

10.1.2 The risk panel will meet within ten working term-time days of the suspension/referral to assess how any disciplinary hearing may best be undertaken.

10.1.3 You will be notified in writing of the procedure the College will use in these circumstances. The decision of the College shall be final

11. Appeals

11.1 You have the right to appeal against any decision made by the Disciplinary Panel (Stage 3 - Misconduct and Gross Misconduct - of the Student Disciplinary Procedure). Please see the College's Appeals Procedure.
