Introduction

Welsh Government

The learning programme you are about to enrol on is funded either directly by the Welsh Government or part funded via the European Social Fund (ESF) (through the Welsh Government).

Taking part in this programme is dependent on you providing personal data. The Welsh Government will be the data controller for the personal information it receives. The Welsh Government will use this data to carry out its public task in the administering and monitoring of its funds. Other information will be kept by the College to administer the programme.

If your programme is ESF funded, you will be asked by the College to supply additional evidence such as a passport, recent payslip or qualification certificate. A copy of this evidence will be retained by the College for ESF audit purposes, a sample will be sent to Welsh Government.

Gower College Swansea processes data on behalf of the Welsh Government and collects and processes additional information, details of which are given below.

We consider the processing of your personal data for the purposes set out below to be necessary for the performance of the tasks we carry out in the public interest, and as part of our statutory duties, i.e, running a college and providing education for learners.

How your data will be used by the College

Your provider, Gower College Swansea processes data on behalf of Welsh Government (WG) and collects additional data in order to enable us to

- support your teaching, learning and assessment;
- provide access to College systems;
- monitor and report on your progress;
- satisfy health and safety and equal opportunities requirements;
- provide appropriate pastoral care, and ensure we meet our duty of care to all our learners;
- Medical declarations and the required supporting evidence that we need to be aware of, to provide the appropriate support
- Analyse the performance of the College and its learners

What personal data the College collects in addition to that provided to the Welsh Government

The Personal Data we collect includes;

- Previous surname

Lifelong Learning Wales Record (LLWR) Privacy notice Part One (Short Version)

It is mandatory that the LLWR Privacy Notice is seen by each learner during the enrolment process and for those learners that are currently in learning.

Introduction

The learning programme you are about to enrol on is funded either directly by the Welsh Government (WG) or part funded via the European Social Fund (ESF) approved operations (through the Welsh Government).

Your participation in the programme is dependent on you providing personal data. The legal basis we rely on to process your personal data is article 6(1)(e) of the General Data Protection Regulation. This allows us to meet our legal duties and administer and monitor the funding we provide. Where you provide special category information, such as ethnicity, this will be processed with your consent.

A full list of special category data can be found in Part Two/Full Version of the privacy notice. The Welsh Government will be the data controller for the personal information you provide. If your programme is ESF funded, you will be asked by your learning provider to supply additional evidence such as a passport, recent payslip or qualification certificate. A copy of this evidence will be kept by your learning provider for ESF audit purposes, and a sample of learner evidence across providers will be sent to the Welsh Government.

MIS May 2019 V2.0
What will the Welsh Government use your information for?
The Welsh Government uses your data for funding, planning and policy development as well as monitoring learner outcomes (such as achievement of qualifications, learner progress and destinations).

Additionally, your data will be used in official statistics and research about post-16 learning, including how health and individual circumstances affect the educational outcomes of learners in Wales. Our official statistics reports give an overall picture of learners in Wales, what they study, their achievements and their destinations after they leave learning. They include, for example, information on patterns in learners’ gender, ages, and the qualifications, subjects and levels they are studying. Individual learners cannot be identified in these publications.

Research organisations will also use post-16 learner data to evaluate Welsh education policies and programmes. As part of these evaluations, they may also conduct optional learner surveys, which will assess the impact of a programme on the individual learner as well as contribute to future Welsh Government policy development; for example, establishing how much apprentices are paid, which then contributes to developing a national minimum wage policy.

In order for the Welsh Government to evaluate the impact of its programmes on certain groups of learners, we will link your data with other educational records we hold, such as the Pupil Level Annual Schools Census, Welsh Examinations Database and Higher Education Statistics Authority. We use this linked data to help us understand the progress and outcomes of learners in Wales, to inform our research, performance measures and statistical publications. We may also share this linked data with researchers and with our partners, including Estyn and Qualifications Wales, to help them carry out their own data analysis to inform inspections and reviews. Individual learners cannot be identified in the linked data we share with our partners.

For a more detailed list of how your data is used, please refer to Part Two/Full Version of this privacy notice.

Who the Welsh Government shares your data with and why

Please click here or go to https://gov.wales/lifelong-learning-wales-record-privacy-notice-2019 for the Part Two/Full Version of the privacy notice for a complete explanation of who we share your data with and why.

Your rights and choices under the General Data Protection Regulation (GDPR) include:

- access to the personal data the Welsh Government holds on you
- requiring the Welsh Government to rectify inaccuracies in that data
- objecting to processing on grounds relating to your particular situation (in some circumstances)
- restricting processing (in some circumstances)
- having your data erased (in certain circumstances)
- lodging a complaint with the Information Commissioner’s office (ICO) who is the independent regulator for data protection
How long will the Welsh Government keep your data for? Data Type | Data Retention Period | Data uses
--- | --- | ---
Further Education and Adult Learning | Your data will be deleted after 10 years | This enables the Welsh Government to analyse learner data and create reports over a period of time. These reports will be used to help inform policy decisions or to forecast future funding. Where learning is ESF funded data is kept so that it can be checked and audited. The timescales for keeping data are decided by the European Union.
Work Based Learning | Your data will be deleted 10 years after the end of the contract period |  
Welsh For Adults | Your data will be deleted after six years | Your data will be kept for a longer period for statistical and research purposes.

Notifications of changes
This Privacy notice was last updated on 01 May 2019 and we keep it under regular review to make sure it is up to date and accurate. We will always notify you of changes to the use of your data via this Privacy notice and your provider. All of the Welsh Government’s processing will comply with data protection legislation.
If you prefer not to supply your special category data at any time, you must contact your learning provider who will update your record.
It is mandatory that the LLWR Privacy Notice is seen by each learner during the enrolment process and for those learners that are currently in learning.

What personal information about you is collected and used by the Welsh Government?

Personal data is collected by providers about you and sent to the Welsh Government for the LLWR, the data collection system for Further Education, Work Based Learning, Adult Learning and Welsh for Adults. As defined in the General Data Protection Regulation, your personal data is your:

• Unique learner identifier (created by the Welsh Government)
• Learner Identifier number (created by your learning provider)
• Surname
• Forename(s)
• Address
• Postcode
• Telephone number
• National Insurance Number
• Gender
• Surname at 16
• Date of birth
• National identity
• The last school you attended
• The year you left school
• A unique learner number (created by the Learning Records Service)
• Whether you are a migrant worker
• Learning Difficulty or Disability indicator
• Postcode (at start of learning programme)

The Welsh Government also processes special category data on learners’:

• Ethnicity
• Disability type

Providing this data is optional.

Please see Annexe A for a list of the non-personal data fields Welsh Government collect.

How will your data be used by the Welsh Government internally?

In evaluations of programmes and projects, to inform decision on future policies for post 16 learning. To measure the outcomes of post-16 learning, including learners’ achievement of qualifications, progress and destinations. To allocate and monitor funding of post-16 learning, including learning which is jointly funded by European Social Fund approved operations.

• By Welsh Government auditors, who check data on a monthly basis to ensure that work based learning providers are delivering what’s outlined in their contract or funding agreement with the Welsh Government.
• To promote equality and diversity on post-16 learning across Wales, to help ensure that we comply with the Equality Act 2010.
• To produce anonymous official statistics on post-16 learning in Wales.

How will your data be used by the Welsh Government and with whom externally?

• The Welsh Government links your data internally and with external government bodies such as the Department for Work and Pensions, to evaluate the impact of learning programmes such as apprenticeships

• By research companies commissioned by the Welsh Government to undertake evaluations of programmes such as Apprenticeships and Traineeships. This may include contacting learners past and present to take part in surveys, although you will always have the option to take part or not in the survey if contacted.

• By the Office for National Statistics (ONS), to publish aggregate statistics related to the economy, population and society at UK, Wales, and local levels. These statistics will be published in a manner that ensures it is not possible to identify individuals. The ONS will also use the data to undertake research, or to make de-identified data available to approved researchers (as defined in the Digital Economy Act), through their secure research environment. These research projects may involve linking data to other data sources to help understand the interaction between the education system and other issues such as health, well-being or the economy. Again the research will be undertaken in a manner that includes checks being carried out to make sure that identities are not revealed by the results of the analysis.

• By NHS Wales Informatics Service (NWIS), who will work with a Secure Research Environment, to link your data with other anonymised information about you which is available to the Welsh Government, the NHS and other public organisation, making sure that identities are not revealed by the results of the analysis.

• By Swansea University, a Secure Research Environment where research can be done using anonymised information and where checks are carried out to make sure that identities are not revealed by the results of the analysis. Your name, address and postcode will remain separate from your data at all times and will not be available in the Secure Research Environment. The information is used for statistical and research purposes only. An example of the key research questions that are answered by this work is how health and individual circumstances affect the educational attainment of learners in Wales.

• By Qualifications Wales to undertake analysis of learner numbers at qualification and sector levels, to help inform sector reviews of qualifications. https://www.qualificationswales.org/english/.

• By Estyn. Learner number data is analysed and used by Estyn inspectors as part of their inspections of learning undertaken in further education institutions, work-based learning providers, and adult learning providers. https://www.estyn.gov.wales/language

• By the UK Government Department for Education, to link learner records to employment, earnings and benefits records held by the Department for Work and Pensions, in order to identify and analyse the destinations of learners into further learning and/or employment once they have left learning. https://www.gov.uk/government/organisations/department-for-work-pensions/about/personal-information-charter.

• By IFF Research who undertake research surveys to provide an up to date picture of the pay of the apprentice population in the Wales and across Great Britain and to assist with the

* The processing of personal data in such a way that the data can no longer be attributed to a specific learner without the use of additional information.

The following third party contractors carry out data matching and analysis on behalf of the Welsh Government:

- **London Economics Ltd** matches together the same learners that appear in separate educational datasets (the Pupil Level Annual Schools Census, Welsh Examinations Database, Post-16 Collection and Higher Education Statistics Authority data) which in turn is used by Welsh Government to understand learners’ progress through the education system, and their destinations once they leave learning. https://lond1conomics.co.uk/

- **FFT Education Ltd** - LLWR and Welsh Examinations Database data is linked and used to calculate value added measures, as part of Welsh Government’s post-16 performance measures. https://fft.org.uk

The sharing of learner data with third party contractors is always governed by strict requirements of confidentiality and security, and contractors carrying out research and evaluations on our behalf have to comply with the Government Social Research Code.

**Data Sharing Agreements**
The Welsh Government has a formal data sharing agreement in place whenever we share your data with a third party. Part of the agreement means the third party will have to sign a confidentiality agreement in relation to your data to show that they operate satisfactory information security procedures, that they will only use your information in prescribed ways and that they will destroy their copies of your data when it is no longer needed.

**Security Arrangements for your data held by the Welsh Government**
The data the Welsh Government collects about you will be stored in an access controlled secure database, which is regularly tested for safety and integrity.

**Summary of changes to the LLWR Privacy Notice between version 1.0 and 2.0**
- A list of the non-personal data fields we process about you has been added
- We have made it clearer how your data is used by third party organisations
- Web links to the third party organisations who WG share your data with have been added
