Coleg Gŵyr Abertawe
Gower College Swansea

Thank you for attending one of our full time open evenings.

Choosing what you want to study after leaving school is one of the most important decisions that you will make and we hope you find this evening useful.

Studying at a large college can provide significant benefits.

We offer a **wide range of courses**, including over 40 A Level subjects and 40 vocational subject choices.

In 2024, over 1,000 of our students **progressed to university**. Our vocational students continue to go from strength to strength, benefitting from our **excellent links with industry** and competing in **skills competitions** at both regional and national levels – just recently, our students scooped an impressive 17 medals at Skills Competition Wales 2025.

At our dedicated University Centre, we also offer Degrees, Foundation Degrees, Higher National Certificates (HNC), Higher National Diplomas (HND) and professional qualifications, with many of our courses validated by the leading HE institutions in Wales.

We will ensure that every student receives guidance onto one of five progression pathways after College (HE, employment, an apprenticeship, another FE course or tailored employability support.)

We look forward to welcoming you to the College as a student in 2025.

Kelly Fountain
Principal
